WICHITA MARKETS.

Receipts of live stock at the Union Stock Yards for 24 hours-49 cattle, 1100 hogs, and for the week just closed 1737 cattle, 6603 hogs, a slight decrease in cattle receipts from last week and an increase of 578 hogs. The cattle receipts too small to test the strength of the market and of rather poor quality. Everything sold at good values. The Everything sold at good values. The run of hogs was larger than expected and the largest for Saturday in the history of the yards. Market opened history of the yards. Market opened steady at yesterday's prices, but noonday advices from Kansas City noted a decline of 5c to 7 1-2c and all sales after this were made at prices 2 1-2c below the opening. The break in the Kansas City market was caused by the heavy run of hogs, there being 11000 on sale. The Chicago market was steady.

In Zorich, Switzerloud, one of the her courts has closed a novelcase. A beggar who opened the garden gate in treat of a house where he intended to sak for radial was atarm. Soon afterward he commanded a spit against the owner of the place, calling for before properly in all parts of the call. Break that he could beg jost as well as ever, and that he could beg jost as well as ever, and that he could beg jost as well as ever, and that he is jury in question, far from being a disadvantage, only forcessed his chance in his profession. But the court held that the proprietor of a boune is respectable for the security of the people who come is wist him, even when the object of size wist is to make an appeal to his generosity. But he beggar heavy damages, on the grammit that the wound he had received rescaled him permanently

In the great majority of cases, in spite of what fat people say, the cause of the fat is the cating of either too much found or food of an improper quality, combined with a lack of exercise. It remains, therefore, softably to regulate the dist and exercise, bearing in mind that the change must be gradual to be somework, and that anything approaching to starvation must be avoided. It must be a general pien to give much allumen and relatively little fate and sweets.-Herald of
